# **Sussex County Athletics Championships**

## **K2, Crawley**

As you can see from the results we had a large number of athletes who had reached the qualifying standards in order to compete in this competition. More had also reached the standards which is a credit to our school but we could only take one athlete per event and any one athlete is only allowed to take part in 2 events + a relay. As this involves all IAPS schools in Sussex and has minimum standards it means that there is a very high standard and it is a tough competition in itself. On top of that the athletes have the added pressure of knowing that this is their opportunity to get to Nationals.

The athletes really stepped up with a massive 29 new Personal Bests (PBs), highlighted in blue on the results sheet. They also broke four School Records (SR) along the way and we have County Champions in three events. 13 athletes also qualified for Nationals and some in multiple events. A very successful day!

### **School Record Breakers:**

**Jack Skinner - Discus 31.93**

**Francesca Aston - TJ 8.45**
